'Growing, Learning and Loving; United in Play, Prayer and Peace'

5th November 2019

Dear Parents,

I write on behalf of the Directors of The Newman Catholic Collegiate to inform you of a development for our school from January 2020.

Some of you may know that Mrs Hamilton is pregnant and will be going on maternity leave in December 2019. The Directors have asked that I take on the role of Acting Executive Principal of St George and St Martin, and St Joseph's, Goldenhill for one year from January 2020 to January 2021.

This is a fantastic opportunity for our two schools to work closely together and learn from each other. One of the benefits of being part of a Collegiate is the opportunity for our schools to work together to provide the best possible education for our children

I have an excellent leadership team here at St George and St Martin and I know that the school is in capable hands for the times that I will be at St Joseph's. Mrs Hollins will take on the role of Head of School and she will be available both before and after school, in the same way that I currently am.

During the times that I am at St Joseph's, I will of course be contactable via telephone and e-mail. If you had an issue that would need to be discussed with me urgently, you would need to contact either Mrs Hollins or our school office and they could contact me immediately.

Rest assured that I will spread my time between the two schools, and you will still be able to discuss matters with me as necessary. I will still very much be a part of St George and St Martin.

Please do not hesitate to contact me if you would like to discuss this further.

Yours faithfully,

Mrs D Farmer

Principal
