

COME AND SEE OUR NEW LIBRARY!!!

We would like to invite your child and their family members to celebrate with us for the launch of our new library.

We have been working hard after listening to the children, to make our library a brighter and happier space.

Come and see our amazing selection of newly organised books (and take one home to read!)

You will also see the children's fantastic art creations, which form the decorations in this new space for them to relax, sit back and enjoy a range of books!
