

# Year 3

## Class Letter—Week Beginning 13.04.20

Dear Year 3,

I hope you are all enjoying a really lovely Easter break with your families.

I hope you have been working hard completing some of the activities from the Easter challenge grid I set to keep you busy during the Easter holidays.

I would like you to continue completing these activities and I have now added some extra Easter activities which are available to download alongside this letter on the school website for those of you who would like an extra challenge!

Please remember to also spend lots of time relaxing with your families and getting outside in the fresh air as much as you can.

I will be in touch via the school website to give you some more activities to be getting on with after the Easter break, so until then stay safe - I miss you all very much!

Enjoy the rest of the Easter holidays and I will speak to you soon,

Mrs Gallimore

Don't forget you can email me on:
