

Year 1 - Pick and Mix - Home learning

Week beginning 4.05.2020 VE Day

<p><u>Reading</u></p> <p>Read at least three times a week https://www.oxfordowl.co.uk/</p> <p>Read the instructions to make a paper aeroplane. Did your aeroplane fly?</p>	<p><u>English</u></p> <p>Three and a half million children were moved from their homes in big towns to the countryside. They were evacuated so that they would be safe from the threat of German bombing.</p>  <p>What items would you take if you were going to be evacuated like the many children in WW2? Fill your evacuee suitcase and fill in your tag.</p>	<p><u>History</u> <u>VE Day</u></p> <p>On the 8th of May 2020 we commemorate 75 years since Germany's unconditional surrender and the end of WW2 in Europe, this is known as VE Day. Use the saved PPT's to find out about VE Day.</p>	<p><u>R.E.</u></p> <p>Unfortunately, we live in a world where conflict and war still exist. As we think about the seventy-fifth anniversary of VE Day, we should stop and think about how we can remember people who fought in the war to bring about peace. What about us? What can we do to bring peace in our school and at home?</p>
<p><u>Maths</u></p> <p>Look at Wartime recipes. Choose one of the recipes - can you work out the measures if you would like to double the recipe? Or half the recipe? Can you and your family measure out the ingredients to make one of the recipes? http://www.recipespastandpresent.org.uk/wartime/war-leaflets/puddings-and-sweets/</p>		<p><u>Geography</u></p> <p>Find out about one of the European countries involved in World War 2. Create a country fact file.</p>	<p><u>Prayer</u></p> <p>Dear God, Thank you for all those who fought to bring peace during the Second World War. Thank you that peace eventually came. Please be with all those who are living in areas of the world that are affected by wars today. Please help us to do our bit in creating peace wherever we are. Amen</p>

			<p>Learn 'The prayer of St Francis (Make me a channel of your peace)' https://www.youtube.com/watch?v=iHvm6eLWZI https://www.youtube.com/watch?v=qUI2EyYIEKs</p>
<p style="text-align: center;"><u>Science</u></p> <p>Materials: Follow the instructions and fold a paper, foil, sandwich wrap, and card aeroplane. Test which one will fly the furthest? Make a prediction and then test each aeroplane. Can you measure the distances travelled? Remember to keep the test fair. What did you find out?</p>	<p style="text-align: center;"><u>Art</u></p> <p>Can you draw your own WW2 aeroplane? Follow the directions and learn how to draw a WW2 aeroplane, using simple shapes. https://artprojectsforkids.org/draw-a-ww2-plane/</p> 	<p style="text-align: center;"><u>D&T</u></p> <p>Follow this You Tube clip to make a cool aeroplane from a plastic bottle. https://www.youtube.com/watch?v=Obl-pfdYaEk</p>  <p>OR complete the Spitfire paper craft.</p>	<p style="text-align: center;"><u>Physical and well-being</u></p> <p>There was a lot of celebrating on VE day. Have a dance around to your family's favourite songs.</p> <p>Have a go at learning to skip. Or draw a hopscotch grid on the ground and have a game with your family.</p>
