R.E.

Read the story of
The lost sheep.

<https://www.twinkl.co.uk/resource/us-re-004-the-lost-sheep-story-powerpoint>

Think about the message in the story about being lost. We are the sheep and God is the shepherd. If we don't make the right choices we turn away from God and become 'Lost'. We are reunited and can make it right with God when we say sorry. God will always forgive us and welcome us into his family.

Task - Retell the story in your own words and explain the message behind the story. Think of a time when you have done something wrong and turned away from God. How did you make it right and find God again?
