

## Year 3

### Class Letter—Week Beginning 18.05.20

Dear Year 3,

I hope everybody is still smiling and that we continue to have some nice sunny weather.

Remember it is important to make sure you get plenty of fresh air and take part in some form of daily exercise. I wonder how many of you had a go at go noodle dancing? I have been learning to do yoga it is very relaxing until Bailey tries to jump on me! I have put some new bird feeders up in my garden and have been enjoying watching the birds. I watched the mummy blackbird feeding the babies on my lawn today they were lovely. I also have a small birdbath and lots of birds visit to splash about and have a drink. Today there was such a lot of splashing with water going everywhere, when I went to look there were seven starlings all in there together! They looked so funny and made me laugh. I have also been doing some more baking and made some delicious scones.

Mrs Sephton and I have enjoyed speaking to you all to keep in touch and sometime this week I will be contacting more of you all to find out what you have been getting up to.

Here is this week's activity grid to keep you all busy. Please choose from the different activities. Remember to space this work out over the week to help spread your work load. You can complete as many activities as you want to. **We have a challenge this week on times tables rock stars - A competition between year 2 and year 3!!!!** Come on year 3 log on to times tables rock stars and get going! You have until Friday 22nd to try and beat year 2. Don't let me down I told Mrs Thompson we would win!

Remember that you can keep in touch with me, or ask me questions anytime by emailing me on [year3@sgsmnewman.co.uk](mailto:year3@sgsmnewman.co.uk). I always love to hear what you have been doing.

Remember to stay positive, work hard and be the best that you can be! Please all stay safe and keep on smiling I am so proud of you all.

Sending love and prayers

Mrs Gallimore
