

Year 5

Class Letter—Week Beginning 18.05.20

Hello again my lovely Year 5!

I am really missing you all and hope that you are keeping well.

I also want to say a big thank you to your parents as well who are doing an amazing job at supporting you as always.

Last week was a busy week and I have created some more learning activities in your learning packs this week focusing on Jesus' Resurrection, converting units of measure and more! I hope you will find these useful and fun. Remember to just try your best and do as much as you can- little and often is perfectly okay!

It has been great to hear what you have been up to and I know some of you have been completing extra activities, including lots of things around the house which is great- it is all learning!

Don't forget, you can contact me anytime with questions, photos, updates or just a little hello on year5@sgsmnewman.co.uk

Take care,

Mrs Brownsword x
