'Growing, Learning and Loving; United in Play, Prayer and Peace'

10th June 2020

Dear Parents of Children in Year 2, 3, 4 and 5

I am writing to say a big well done to the vast majority of children who are continuing to complete the home learning tasks. It is so important that you continue to do this, as when you return we want to build on the learning you have been doing at home.

I do want to say well done to you, our parents, who are supporting your children. I am well aware of how difficult it is juggling everything to ensure that your child continues to develop academically. The teachers will continue to offer support through email and so if your child is struggling please contact them.

Below is a Government guidance document that may support you to educate your child

<https://www.gov.uk/guidance/help-primary-school-children-continue-their-education-during-coronavirus-covid-19>

It is important to do what home learning you can, when you can. This may just be 1 or 2 tasks each day. The most important thing you can be doing every single day is reading and discussing what you have read.

Each week we are continuing to enjoy work that is sent to us via email and Facebook, please continue to do this.

Once again, I fully appreciate the difficult circumstances that you are in and would like to pay tribute to your efforts. This is the most difficult of circumstances for us as a school to manage and I would like to thank you for your continued support.

Please do not hesitate to contact me if you have any questions or concerns.

Yours faithfully

D. Farmer
