

Year 3 - Home Learning Grid  
Week beginning 22.06.2020

<p><u>Reading</u></p> <p>Enjoy reading a good book <a href="https://www.lovereadings4kids.co.uk">https://www.lovereadings4kids.co.uk</a></p> <p><b>Bitesize book club</b> <b>'Slime'</b> <a href="https://www.bbc.co.uk/bitesize/articles/zrd4f82">https://www.bbc.co.uk/bitesize/articles/zrd4f82</a></p> <p>The story is set on the Isle of Mulch where Ned lives with his parents and sister Jemima. Ned learns that his sister has been planning to play a huge trick on him, but he has taken her collection of gunk and tried to play the trick back. In the second extract, we can see what happens when Ned realises that he has created a 'Slimepower'.</p> <p>Watch David Walliams, the author of Slime read an extract from the book.</p> <p><b>Think about the following:</b> What do you find out about the Isle of Mulch?</p> <p>Who is Ned and what is your impression of him?</p>	<p><u>Maths</u>      <b>Problem solving</b></p> <p>Have a go at problem solving with adding and subtracting fractions <a href="https://www.bbc.co.uk/bitesize/articles/zg2296f">https://www.bbc.co.uk/bitesize/articles/zg2296f</a></p> <p><b>Challenge 1</b> Rani has 38p.</p> <p>I have 10p more than Rani. </p> <p>I have 20p less than Eva.</p> <p>How much money does Eva have?</p> <p><b>Challenge 2</b></p> <p> ×  = 25</p> <p> ×  = 100</p> <p> × </p> <p>Work out the value of</p> <p><b>Challenge 3</b> A sequence is made up of three 2-digit numbers. The sequence <b>increases by eight</b> each time. These are the digits that make up the three numbers.</p> <p><b>0 2 3 4 4 5</b></p> <p>Work out the numbers in the sequence.</p>	<p><u>English</u></p> <p><b>A day in the life of a cat</b></p> <p><b>Amazing Fact</b></p> <p> </p> <p>In 2013, a couple from Florida in the USA, lost their cat Holly while on holiday at Daytona beach, 200 miles away. Two months after they returned home, Holly turned up at their house thin, with sore paws but with her microchip still intact.</p> <p><b>Challenge</b></p> <p>What do you think cats do during the day? Maybe they do normal things like wash themselves and sit in the garden. Or maybe they do much more exciting things when humans aren't looking...</p> <p>Write about a day in the life of a cat.</p> <p><b>Remember to:</b></p> <ul style="list-style-type: none"> <li>• Plan your writing.</li> <li>• Organise your ideas into paragraphs.</li> <li>• Choose your words carefully.</li> <li>• Write in sentences.</li> <li>• Pay attention to your spelling and punctuation.</li> <li>• Check and edit your work carefully.</li> </ul> <p><b>Next</b> you could write a set of instructions - How to look after your pet.</p> <p></p> <p><a href="https://www.bbc.co.uk/bitesize/articles/zc3v6g8">https://www.bbc.co.uk/bitesize/articles/zc3v6g8</a></p>	<p><u>R.E.</u></p> <p>Can you recall the story of 'The Healing of the Leper' (Luke 17: 11-19)</p> <p></p> <p><a href="https://www.youtube.com/watch?v=Sdqt_OUXFPg">https://www.youtube.com/watch?v=Sdqt_OUXFPg</a></p> <p>Lepers were isolated people who could not be part of the community because of the illness. Jesus did not turn away from the Leper as others did. Jesus changed the Lepers life through healing him.</p> <p>What message is there for us in this bible story? What does Jesus teach us? To love one another and to not turn away when someone is suffering and needs our help. Can you think how this bible story can be linked to the story of the Good Samaritan?</p>
---	--	---	---

What do you think of Jemima?

Would you like to live on the  
Isle of Mulch?

**Times tables!**

Remember to go on Times tables rock stars

[www.ttrockstars.com](http://www.ttrockstars.com)

**Alliteration** is when words close together start with the same sound. For example: **S**ammy the **s**lippy **s**nake went **s**liding by.

Learn how to write your own tongue twister using alliteration and then have a go at writing a poem.

**Task** - Write a prayer for all those in our world who are suffering and may be in need of God's healing love.

### Salty Science

**You will need:** Warm water, salt, large jug, plate or tray  
**CRYSTALS**

Put about half a litre of warm water into the jug. Stir in a large spoon of salt until you can no longer see all the grains which means they have dissolved. Stir in salt until no more salt will dissolve. Then pour a small amount onto a flat coloured plate or tray and leave somewhere warm.

#### **WHAT DO YOU NOTICE?**

Over the next few days look closely at what is happening. What do you notice? Where do you think the water is going? Can you see the salt again? Does it look the same as the salt you started with?

What is the same about it?  
What is different about it?

#### **WHAT IS THE SCIENCE?**

Salt dissolves in water. It might seem as though it has disappeared but it has actually become mixed in with the water to form a transparent (see-through) solution. When salt solution is left and it dries up to leave new salt crystals, it is because the water has evaporated.

### Geography

Sir David Attenborough helps you to learn more about our oceans and migration. Did you know that the ocean covers most of our planet? Learn more about the animals that exist in our oceans.

<https://www.bbc.co.uk/iplayer/episode/p08qd9j1/bitesize-57-year-olds-week-7-4-oceans-and-migration>

Look at a map can you identify and name oceans around the world.

What can we do to protect the animals living in our oceans?

#### Computing - What is malware?

Malware is a program designed to damage your device. It could: steal your information, crash your system, reboot your device, slow down your device, slow down your internet connection Watch this video clip to learn how malware and virus can affect your devices.

<https://www.bbc.co.uk/bitesize/articles/ztpfxbk>

#### **How can you avoid viruses or malware?**

Don't download files unless you trust what they are

\*Don't open an email or click on any links unless it is from an address you recognise

\*Don't run a program if you don't know where it has come from and haven't chosen to install it

\*Install anti-virus software

#### **Did you know?**

An email cannot corrupt your device on its own. Viruses can be hidden in attachments and these could corrupt your system when you run them.

### Art

#### **Create a colour wheel**

The primary colours are - red, yellow, and blue. Secondary colours are made by mixing the primary colours. eg red and yellow makes orange, red and blue makes purple and yellow and blue makes green.

Learn more by watching this great video!

[https://www.youtube.com/watch?v=AOiAdx47A\\_I](https://www.youtube.com/watch?v=AOiAdx47A_I)

**Task** Go on a scavenger hunt around your home and create your own colour wheel using different coloured objects. How many different shades can you find?

When you have completed your colour wheel take a photograph so you can keep a picture of your artwork.

#### **French - Days of the week**

##### **Les jours de la semaine**

Notice that the days of the week in French don't have capital letters. Learn to say the days of the week. Click each phrase to listen to the correct pronunciation

<https://www.thefrenchexperiment.com/learn-french/days-of-week>

lundi	Monday	mardi	Tuesday
mercredi	Wednesday	jeudi	Thursday
vendredi	Friday	samedi	Saturday
dimanche	Sunday		

### Physical and well-being

Have fun with Cosmic Kids yoga adventure for Minecraft fans. Join Jaime in Minecraft world and use yoga to survive your first 24 hours!

<https://www.youtube.com/watch?v=02E1468SdHg>

#### **Disney 10 Minute Shakeups**

<https://www.nhs.uk/10-minute-shake-up/shake-ups>

#### **Super Movers**

<https://www.bbc.co.uk/teach/super-movers>

#### **Mindfulness**

#### **Butterfly breaths**

Sit on the floor with the bottom of your feet touching and with your knees bent out to the sides. Put your hands on your ankles and gently bounce your knees like flapping butterfly wings. Close your eyes and breathe slowly and calmly deep breaths in and out. Pretend you are flying to your favourite place in the world. Imagine what it looks like. What do you see? Hear? What does it feel like?

Imagine flying around feeling happy and calm. Now it is time to fly home. Take a deep breath in and exhale. Slowly open your eyes.

Download this week's home learning pack for Year 3 from classroom secrets:

<https://classroomsecrets.co.uk/free-home-learning-packs/#packs>

Just scroll down and select the week you want and you will then see the option to choose the year 3 learning pack for that week. These are particularly good and I highly recommend that the children complete these each week.

Don't forget to visit the Potteries Museum website if you haven't already!

Although the Potteries Museum is currently closed, they are still here to help and support with home learning.

There are learning resources inspired by our collections, including activities, trails and worksheets.

Discover fun activities to explore at home, which cover a range of curriculum areas including history, science and art.

A brilliant website with loads of great activities!
