

Year 3

Class Letter—Week Beginning 29.06.20

Dear Year 3,

I hope you have all been enjoying the lovely sunny weather we have been having. I know some of you have been out in the garden enjoying a barbecue, going for lovely long bike rides or bouncing around on your trampolines! Bailey has been enjoying chilling in the garden and having some lovely cool doggy ice cream! It was lovely to see so many of you last Wednesday joining the Year 3 online lesson and I am very much looking forward to seeing the positive hands you have made.

Remember to keep active and try to exercise once a day and make sure you get lots of fresh air. I have put another exciting yoga adventure for you this week this is one for all the Frozen fans! Have a look on the activity grid for the link. You could even get busy this week, and do some baking, plant some seeds, learn to tie your shoelaces or your tie (if you can't already do them), Gather together pots, pans, bowls, spoons from your kitchen and make an outdoor musical area. (Get permission for this one! Please do not use your mum or dads best pans!)

Here is this week's activity grid to keep you all busy. Please choose from the different activities. Remember to space this work out over the week to help spread your workload. You can complete as many activities as you want to.

Remember that you can keep in touch with me, or ask me questions anytime by emailing me on year3@sgsmnewman.co.uk. I always love to hear what you have been doing.

Keep up the hard work I will be speaking to you all this week to share what you have been doing. I am so proud of you all. Please all stay safe.

Sending love and virtual hugs

Mrs Gallimore
