

## Year 5

### Class Letter—Week Beginning 08.06.20

Hello Year 5

Another week is here! I hope you managed to make the most of the nice weather as it seems to be a bit more on the drizzly side lately! However, you can still do lots of fun things around the house as well as getting a good rain coat and wellies and heading out for some much needed fresh air!

This week, I have prepared another work pack for you to focus on the Ascension of Jesus, percentages, adverbs to show possibility and much more! I know lots of you are completing some of my work and some other things you and your parents have found online which is fantastic!

Keep up the super work!

Remember, you can contact me at [year5@sgsmnewman.co.uk](mailto:year5@sgsmnewman.co.uk) if you want to say hello or have any questions.

Take care,

Mrs Brownsword x
