

Year 5

Class Letter—Week Beginning 29.06.20

Hello my lovely Year 5!

It was great to see you last week on 'Teams' and have a catch up! It was really good to be learning together again - you all did really well.

This week, we will be doing another 2 teams meetings where we will focus some more on wellbeing as well as RE.

Your work pack contains all the other bits of learning including English, Maths and topic.

Looking forward to seeing you again!

Remember, any problems or questions then please email me at year5@sgsmnewman.co.uk
