

## Year 3

### Class Letter—Week Beginning 06.07.20

Dear Year 3,

I hope you have all had another great week. I have really enjoyed speaking to you all and hearing about all the hard work you have been doing at home. It was so lovely to see lots of you again joining in with our online lessons on Teams. Well done to all of you for working so hard!

Remember to keep active and try to exercise once a day and make sure you get lots of fresh air. I have put a great art lesson on your activity grid to make a landscape stained glass window in art and at the bottom of the page is a link to the Gladstone Pottery museum website. I found some really great games and activities on there so do have a look!

We would have been celebrating Achievement day on Friday of this week if we had been in school. Spend some time thinking about your achievements in Year 3 and reflect upon what you would like to be when you are older. You could even dress up on Friday or draw a picture of yourself doing the job you would like to do.

Here is this week's activity grid to keep you all busy. Please choose from the different activities. Remember to space this work out over the week to help spread your workload. You can complete as many activities as you want to.

Remember that you can keep in touch with me, or ask me questions anytime by emailing me on [year3@sgsmnewman.co.uk](mailto:year3@sgsmnewman.co.uk). I always love to hear what you have been doing.

Keep smiling and keep up the hard work I am so very proud of you all. Please all stay safe.

Sending love

Mrs Gallimore
